Christ Memorial Church is outfitting the church to influence the world.

VISION

WHO WE ARE BECOMING .

Christ Memorial is a loving community of Christ-followers who embrace everyone. We are *propelled* by the Father's transformative love, the empowering grace of Jesus, and the mending guidance of the Holy Spirit. We *intentionally* foster loving relationships that transport everyone to healing community. We *purposefully* serve to restore hearts, lives, families, neighborhoods and cities to vigor and hope. Simply stated, because of God's calling and the Spirit's strength, we *think, love, serve, and live like Jesus*.

VALUES

HOW WE ARE GOING TO GET THERE .

We believe **Doctrinal Purity** is a mark of the New Testament Church, **Anointed Biblical Teaching** is a catalyst for spiritual transformation of people and the church, and **Lifelong Discipleship** is normative for all believers.

We believe **Loving Relationships** are a hallmark of the church and should permeate every aspect of the Body of Christ, **Relational Evangelism** is a loving process entered into with those searching for hope in Jesus, and **Relevant Ministry** is essential to communicating the Truth so that it will be understood.

We believe **Ministry Excellence** in all we do reflects the worship of a Holy God, the church should be led by **Spiritually Gifted Leadership**, and the **Generous Stewardship** of all God has given demonstrates gratitude to the Father in Heaven.
