

CHRIST MEMORIAL CHURCH PRAYER GUIDE

February/March 2025

Walk in the way of love, just as Christ loved us and gave himself up for us as a fragrant offering and sacrifice to God.

Ephesians 5:2

We PRAISE you,

Father, that from everlasting to everlasting you are God.

God, that in you all things hold together.

Jesus, that you were obedient in all things, even unto death on the cross.

Holy Spirit, that you make all things new.

We CONFESS, Father that

We do not always seek or follow you first above all else.

Our love for you often falls short.

In times of trial and stress, we don't always fully trust you.

We often miss opportunities by not listening closely to your Spirit.

We THANK you, Jesus that

Through your life, death and resurrection you have paid the price for our sins.

We can know that you are always walking by our side and will never leave us.

You bring light to all the world, and the darkness has not overcome it.

You are our Good Shepherd, gently leading us and caring for us always.

We ASK, Father that

You will guard our hearts and minds as we cling to Christ Jesus alone.

You will continue to lead our church as we seek to fulfill the fresh mission to which you have called us. May we be rooted in Christ. May we be real in our relationships with each other. May we reach out to all in Jesus' name.

There will be continued healing and revitalization at Christ Memorial Church as we move forward by your grace into our new mission.

You will guide us in all the steps as we seek a Lead pastor.

There will be a fresh and powerful outpouring of your Holy Spirit on our congregation and on all people around the world.

You will strengthen and uphold the leaders of this country, giving them courage, wisdom and discernment.

Your kingdom will come and your will be done.
